

MBA Diversity Internship Program

A stepstone for women and minorities into the broader finance industry

- Launched in 2013, Avante has hosted over a dozen diverse MBA interns as part of our program
- Our program targets candidates with non-traditional backgrounds. Avante provides training and mentorship with the goal that the internship serves as a stepstone to the broader finance industry
- Interns have successfully landed full-time roles in private credit, private equity, venture capital, consulting, and commercial banking post-Avante
